

South Florida Lady Jaguars Sponsorship Letter...

Tax Identification Number: 161717554

Dear Prospective Sponsor:

The South Florida Lady Jaguars was created with a vision for girls who desired to learn and play the game of basketball on a competitive level. The goals are to provide an atmosphere with excellent coaching, high levels of competition for local Middle and High School female athletes looking to improve their skills, while emphasizing the importance of education, ultimately providing an opportunity for those girls who desire to compete on a college level. Our basketball program currently consists of five teams, composed of players in the surrounding South Florida areas. These players range from 10-18 years of age and are committed to prepare themselves at a highly competitive level in girl's basketball. In addition to the dedicated training, our basketball program has an environment that continues to promote individual confidence, self esteem and leadership skills.

The Lady Jaguars look forward to this 2008 season, which will consist of approximately 10 tournaments, as well as, offer our elite players who desire to play college basketball an opportunity to travel out-of-state and compete in top-rate tournaments where college scouts are searching for prospective players.

As we continue to provide an environment of learning proper skills to become effective basketball players, we do have expenses of tournament fees, uniforms, hotels and transportation. The average expense per player is approximately \$1,500.00. Without parents, fundraisers, community and business support, some players would be excluded from participating. The Lady Jaguars Basketball Team has asked each player and parent to seek prospective sponsors so that each girl with the desire to compete will have the opportunity. The South Florida Lady Jaguars, Inc. is a non-profit organization and all sponsorship money will be used solely for the expenses for the girls' teams. With your donation, your organizations will get a tax deduction and advertisement on our website and publications.
